### FROM THE ADMINISTRATOR

From the office of the Administrator

December has finally arrived and we are now preparing for our very busy month which included a lodge Christmas Party and many events to recognize all our members who have assisted with our successful year. As we are now experiencing some very cool weather, we want everyone to help us keep all the doors closed so we can retain the heat inside. Our new furnace is doing a good job if we only heat the building.

We ask everyone to think about the less fortunate members of our community and if at all possible include them in the Christmas spirit of giving.

A huge thank you to the WOTM for all their efforts at decorating our lodge for both Thanksgiving and now Christmas. Also, a big shout out to Heath, Lora, and Mike for their efforts in providing some fantastic meals. I believe we will be treated to yet another wonderful meal on Christmas day. Join us that day as a member and bring an authorized guest, it is free as we recognize the efforts of everyone who has helped our lodge remain financially sound. Hint\_ I believe we will have a special event New Years Eve as well. Look for flyers to get all the information.

A very Merry Christmas to all Moose members of this lodge.

**THANK YOU TO ALL YOUR EFFORTS,**

*Fraternally,*

*Jim Sehl,  
Administrator*

## Our Fraternity Succeeds When “We” Work Together

“I felt discouraged. Things didn’t go the way I planned, and I heard someone said something bad about me. It even caused me to question whether or not I want to continue with my Moose membership.”

“I’ll admit that I’m tired of the stuff that goes on in lodges where it’s the same people running things. I’ve tried to get involved, but the ‘cliques’ keep me from doing anything.”

“It’s become more of a ‘job’ than anything else. Why would I want to volunteer when everyone else gets the credit?”

“I just don’t feel like I fit in.”

Once we realize that we are a part of something that is much bigger than us, we understand that it takes more than ourselves to get things done.

Does any of this sound familiar? Well, that was me just a few years ago. At one point, I actually decided to just be a card-carrying member, because I believed in the mission, but not the way things were going.

Did you count how many times the word “I” was used in the boxes above? It was at least a dozen, in one form or other.

What I realized was that the problem was that “I” was focused on what “I” wanted and “I” felt left out if things didn’t go the way that “I” wanted.

Until I realized that I was a part of a bigger picture, I couldn’t get past what I wasn’t considered for or “allowed” to do. I created the island that I was living on and I felt alienated because of it.

There is power in collaboration and purpose in resolve. Once we realize that we are a part of something that is much bigger than us, we understand that it takes more than ourselves to get things done.

It’s important to remember that while you have enthusiasm and skills, they may not always fit the current needs. It’s like forcing a puzzle piece that’s close to the same color or pattern; it’s just not going to fit!

To our new members: Please don’t become discouraged while you try to fit in – sometimes, these things take time. There is strength in numbers, and eventually we will create our future, despite the challenges. Turn an “I” into a “we” and the next thing you’ll find is that you’ve created an “us.” Have a plan make a difference and be patient with the process – which is something I did myself. Like-minded, like-spirited and focused on providing service to our community; that’s us! ■

— Mike Rios, Director of Membership
