## LODGE News

*and Messages*

## FROM THE ADMINISTRATOR

*A very Merry Christmas to all Moose members of this lodge.*

*It happens so quickly that another year has passed away. The lodge is having a New Years Eve party. Check the Snorter for details. If you are planning on attending, we recommend reservations for the meal, band and celebration. On a membership note, a hearty "Thank You" to all of you who have sponsored at least one new member. The final year end numbers will be out soon. I anticipate our lodge ranking in the top three state wide. Excellent results for Wally World– LOL.The winter has settled in, so all of you who travel, watch the roads please and return home safely. During these difficult weather days, please try to remember anyone who is home bound and visit them if at all possible.*

*A very Happy New Year to all our Veterans and volunteers who support our mission of helping Mooseheart, Moose Haven and our local charities.*

Finally,

Happy New Year to all!

**THANK YOU TO ALL YOUR EFFORTS,**

*Fraternally,*

*Jim Sehl,  
Administrator*

## CHAPTER News

**It is another year gone! We have not much going on this month. Bar Bingo Bunco and a WOTM Schnitzel dinner on January 20th. We will need help from Volunteers to decorate for up coming events and other help. So I may be calling you for help. Nominations are coming up this month as well. Think about running for an Office or chair person. I hope you all have a happy healthy prosperous new year.**

## Our Fraternity Succeeds When “We” Work Together

“I felt discouraged. Things didn’t go the way I planned, and I heard someone said something bad about me. It even caused me to question whether or not I want to continue with my Moose membership.”

“I’ll admit that I’m tired of the stuff that goes on in lodges where it’s the same people running things. I’ve tried to get involved, but the ‘cliques’ keep me from doing anything.”

“It’s become more of a ‘job’ than anything else. Why would I want to volunteer when everyone else gets the credit?”

“I just don’t feel like I fit in.”

Once we realize that we are a part of something that is much bigger than us, we understand that it takes more than ourselves to get things done.

Does any of this sound familiar? Well, that was me just a few years ago. At one point, I actually decided to just be a card-carrying member, because I believed in the mission, but not the way things were going.

Did you count how many times the word “I” was used in the boxes above? It was at least a dozen, in one form or other.

What I realized was that the problem was that “I” was focused on what “I” wanted and “I” felt left out if things didn’t go the way that “I” wanted.

Until I realized that I was a part of a bigger picture, I couldn’t get past what I wasn’t considered for or “allowed” to do. I created the island that I was living on and I felt alienated because of it.

There is power in collaboration and purpose in resolve. Once we realize that we are a part of something that is much bigger than us, we understand that it takes more than ourselves to get things done.

It’s important to remember that while you have enthusiasm and skills, they may not always fit the current needs. It’s like forcing a puzzle piece that’s close to the same color or pattern; it’s just not going to fit!

To our new members: Please don’t become discouraged while you try to fit in – sometimes, these things take time. There is strength in numbers, and eventually we will create our future, despite the challenges. Turn an “I” into a “we” and the next thing you’ll find is that you’ve created an “us.” Have a plan make a difference and be patient with the process – which is something I did myself. Like-minded, like-spirited and focused on providing service to our community; that’s us! ■

— Mike Rios, Director of Membership
