## Keep Displaying Your Fraternal Pride

While donating to Moose Charities should be every lodge's endeavor, donations to our own communities is what sets our organization apart from the others.

**West Nashville, TN Lodge 2221**  
President Tim Shrum presented Chairman John Sipes with a check for Moose Charities. In addition, Tommy Moose Plush were donated to Executive Director of Ronald McDonald House Charities Elizabeth Piercy by Treasurer Vic Lineweaver.

With our holiday celebrations having only recently ended, now is the time we should determine our future. By that, I mean how we want to finish our Membership year – the things we need to do in order to have a 2023-24 campaign we can all be proud of.

The Association Midyear conferences are in full swing. These bring new opportunities to receive training, to share our experiences within the Fraternity and to enjoy fellowship with other members!

Midyear conferences can also provide a break from mid-winter doldrums, especially those of us in the more northern areas of the continent. Warm handshakes, hugs and receiving a “hello” are among the ways these events give an indication that enjoyable times are ahead. Please do not miss out on what is always an educational experience.

As Linda and I travel across our Fraternity this year, one of the things that stands out wherever we go is the pride that is shown by the lodges and by the Associations. We have witnessed members who display pride in their lodge facilities, pride in their membership production, pride in giving to Moose Charities and, importantly, their pride in serving their communities.

While donating to Moose Charities should be every lodge's endeavor, donations to our own communities is what sets our organization apart from the others. It is amazing to hear the testimonies of local safety services and community programs as they thank the local lodge for what they mean to their programs! Please continue to show your “pride!”

As we head into the final months of our Fraternal year, membership growth continues to show the value of membership in The Moose. The good deeds of our lodges in our communities and the manner in which we show appreciation to our current members tell a story of success. This is a membership growth “three-peat” in-progress! Thank you for signing your friends and associates into our Fraternity! Break out the sunglasses, because “The Future is Bright!” ■

— John Sipes, Chairman of the Board

### Free Dues Program To End Soon

As the end of the chapter year approaches, many of the free dues in the Women of the Moose that were provided upon our unification will end as well. The purpose of the free dues was to help our female members get used to the idea of paying lodge dues as well as Women of the Moose dues just as our lodge brothers pay lodge dues and Moose Legion dues.

As the end of the chapter year approaches, many of the free dues in the Women of the Moose that were provided upon our unification will end as well. The purpose of the free dues was to help our female members get used to the idea of paying lodge dues as well as Women of the Moose dues just as our lodge brothers pay lodge dues and Moose Legion dues.

Invoices will begin arriving soon for sisters whose dues in the Women of the Moose expire April 30, 2024. Dues can be paid online via credit or debit card or by mailing a check with the coupon. Dues can also be paid with your Moose Rewards points at no cost to you.

Your annual chapter dues help provide the best possible life experiences for the children and senior members in our care. Chapters provide funding for Mooseheart athletic programs and music department as well as Moosehaven's beauty and barber shop, pharmacy assistance, special events and holiday celebrations, and other everyday needs of our beloved residents.

Additionally, dues renewals generate \$1.4M ANNUALLY, designated for the Mooseheart school. A portion of your dues also helps your chapter meet its philanthropic endeavors locally and nationally. If our sisters don't renew their dues, where will this money come from?

Donations to the Scholarship and Maintenance Fund provide educational opportunities for Mooseheart graduates. The WOTM have donated almost \$2M to this fund in the last five years. In the last two years, all Mooseheart graduates qualified for scholarship money.

Not all chapter members are active chapter participants. Chapter membership was their only way of obtaining the privileges of membership. You can encourage them to participate in chapter activities and provide a deeper level of service.

As you have heard before, the mission and purpose of the Women of the Moose has not changed. Our focus remains on Mooseheart, Moosehaven and our communities, but the Women of the Moose are so much more. We are all about Mooseheart and Moosehaven, but chapter members can be part of something bigger – a Women of the Moose that empowers women while inspiring them in friendship, fellowship and fun!

We thank you for your continued support of the Women of the Moose and our endeavors. ■

— Grand Chancellor Barb McPherson
